## Link Students to Account

Enter the Access ID, Access Password, and Relationship for each student you wish to add to your Parent Account

1

Student Name	<input type="text" value="Student's First Name"/>
Access ID	<input type="text" value="bcs#####"/>
Access Password	<input type="text" value="student's tech pwd"/>
Relationship	<input type="text" value="-- Choose"/>

2

Student Name	<input type="text"/>
Access ID	<input type="text"/>
Access Password	<input type="text"/>
Relationship	<input type="text" value="-- Choose"/>

The bottom portion will add your students.  
Access ID is “ bcs “ and then your student’s ID  
Access Password is your student standard Tech Password.

Note: your student will know both their ID and tech password
