**High School  
Grades 9 to 12**

**Ear buds or Headphones  
Each class may require additional supplies**

BOOK BAGS: Per our building policy, students are permitted (and encouraged) to bring a book bag for their materials to school. The bag is then to be placed in their locker and remain there for the school day. We are still permitting students to use smaller, cinch bags to carry materials during the school day. However, we encourage students to use their lockers and not try to carry all their materials with them throughout the day.

Please note that due to the 1 to 1 Chromebook initiative, students are encouraged to track assignments via accessories on their Chromebooks. Agenda planners are not issued to students; however, personal organization methods are allowable.

**Supplies may need to be replaced periodically throughout the school year.**

**Teachers may request additional items throughout the year.**
